Performance Director John Dallimore, said: "WTSF is pleased to announce Wales Shooting team for the Commonwealth Shooting Championships in Brisbane."

"There has been a lot of competition for places across the disciplines and between development, juniors and senior athletes. This shows the strength we have in the team to consider from and must thank the hard work that the athletes, coaches and support team also the Performance/Sport Science/Medical team at Sport Wales have been putting in during the last twelve months."

"We look forward to going into a challenging time, as most disciplines will be out of their competition season, the team is focussed on preparations for the Championships over the next couple of months before their attention turn to the Commonwealth Games early next year."
