## Team Manager Update

*Over the last few weeks board members of the WTSF have paid a visit to Barry Budden near Carnoustie (venue of shooting events of G2014). We stayed at the two hotels where the athletes will be based, Carnoustie Golf hotel (fifteen min's from venue) and the Apex hotel in Dundee (25 mins from venue). Both hotels are more than adequate for the Wales team to stay. Decision will be made by CGF in early 2014 which hotel teams will be staying at. No facilities were available to be viewed other than the excellent managed Full-bore range. Zeus Commonwealth Data system will go live over the next few weeks with long list athletes and Coaches.*

## Ticketing for Glasgow

*There has been a tremendous uptake of tickets for the shooting events in Barry Buddon, the order (Closing date was 20<sup>th</sup> July) amounted to 192 pre ordered tickets.*
